APPELLANT'S MOTION FOR EXTENSION OF TIME  
TO FILE REPLY BRIEF

Now comes the Appellant, William Evans, and files this extension of time to file his reply brief. The Appellant requests a 45 day extension of time on the grounds that Appellant needs more time to complete the reply brief. If it were not for the filing of this motion, Appellant's reply brief would be due on August 25, 2016.

Appellant requests an extension of time through October 11, 2016, to file his reply brief. The Appellant has requested 45 days of extension time on this case. The Appellee has requested 45 days of extension time, so the total time for extensions to date is 90 days.

Appellee has indicated that he is unopposed to this motion.

Respectfully submitted,
